Subject: Fw: Call for Registrations: APF online course on Gender Equality for NHRIs - 6 September - 1 October 2021

To: Jedsada Panyawong &lt;pongforwork@gmail.com&gt;

Dear Jedsada,

I hope you are well.

This is a gentle reminder to nominate staff for the APF's new online course on gender equality. The registrations for the course is open till **27 August**.

Please do let me know if there are any issues with registrations or if you have any other questions.

Kind regards,

Faso

Dear colleagues,

The APF has the pleasure of inviting registrations for the upcoming course on Gender Equality for NHRIs. This course will have a strong focus on developing participant knowledge and skills to analyse their NHRI operations from a gender perspective to be able to recommend and implement measures to ensure gender is considered in all areas of NHRI work. This course is part of a broader initiative to expand the APF Gender Network. A concept note is attached for your reference.

**Background**

The APF Gender Network (AGN), was established in 2020 with representatives from nine NHRIs of Afghanistan, Malaysia, Mongolia, Kazakhstan, Nepal, Palestine, Philippines, Samoa and Timor Leste, who participated in a pilot learning course on mainstreaming the human rights of women and girls. Through engagement and contributions from the AGN members, the AFP produced the resource *"The Impact of COVID-19 on Women and Girls"*. Through the AGN, the APF will continue to support gender mainstreaming efforts of the network members.

**The course**

The online course will be run from 6 September to the 1 October 2021, in the APF's newly developed learning and collaboration space, the APF Community. Upon successful completion of 90% of the course, and active participation in the course group, participants will be invited to join the AGN. The course is designed to be self-

paced, that is, participants can complete their lessons on their mobile, or desktop when they have time available. Additionally, there will be opportunities for live 'question and answer' sessions and online engagement in the APF Community.

### **Participants**

This course is best suited to those who are directly working in, responsible for or managing promotion of gender equality or social inclusion programmes (ideally in manager level roles). In addition, staff who are in a role that has scope and responsibilities to drive organisational change and policies (corporate managers, senior executive officers or similar role) are also invited to apply. The APF expects all current AGN representatives to undertake the course should they wish to continue their role within the AGN.

All NHRIs can nominate up to two (2) staff members AND their current AGN representatives to participate in the online course. As part of the APF's commitment to promoting gender equality, equitable nomination of suitably qualified staff members of all genders is encouraged.

### **Registrations**

All nominated participants must complete the below registration form by no later than Friday 27th August. Once applications have been received, participants will be sent further instructions for accessing the course.

I thank you for your consideration of this invitation and very much look forward to your support of our APF Gender Network. Please ensure nominated representatives from your institutions complete the registration form by Friday 27 August 2021. Should you have any questions on the above, please do not hesitate to contact Aishath Fasoha (Faso), APF Gender Focal Point at [fasohaishath@asiapacificforum.net](mailto:fasohaishath@asiapacificforum.net)

Kind regards,
